Sentencing Judge/The Honorable Judge

Your Honor,

We are neighbors of the Coronado family and have been very close friends for the past 16 years. Over the years, we have come to know their family well, including their middle son, Adam Luis Coronado. We have watched Adam grow up and become a very caring and conscientious young man. On several occasions he has helped us with our two teenage daughters, who consider him like a brother.

We have attended many family celebrations and holidays and it is obvious he is loved by a large circle of family and friends. He is very devoted to his family, especially his daughter, Aleah, who just celebrated her 6th birthday.

Please consider these strong attributes and positive characteristics when determining Adam's future. We appreciate your consideration. Thank you.

Very Sincerely,

Holly and Steve Ropp

Honorable Judge Laughrey,

I have known Adam Coronado all his Life. He is a loving father, and son. Adam is the middle child of five, and demonstates a compatable nature. Adam has a good nature and is a trust-worthy friend and family member. Adam is an artist, a great painter. His family loves him very much. They are the type of family that still vacations together as adults. Adam wants to be responsible and take care of his family. Adam has faith in God and Jesus. He has hope and, therefor, deserves hope. Adam is a good candidate for a skilled learning program to teach a trade, like welding or auto mechanics. Please consider this personal information about my friend and loved-one, Adam Coronado. Thank You, Lisa Cusick
