v.) Case No. 08-00297-12-CR-W-FJG
)
ENRICO J. McCLAIN,)
)
 Defendant.)

ORDER

On March 19, 2009, the Court granted the motions of defendants Jerome S. Howard and Gerald D. Williams to declare the case complex as to those defendants. Defendant McClain has requested that the Court declare the case extended and complex as to him for the reasons previously advanced by defendants Howard and Williams. As noted in the prior order, the indictment charges seventeen defendants in thirty-four counts. The government has produced more than sixty thousand pages of discovery. Given the number of defendants and volume of discovery, this case will most likely involve significantly more attorney time than the average federal criminal case. The case is currently set on the joint criminal jury trial docket commencing August 24, 2009.

Given the complex and extended nature of this case, it is

ORDERED that the Motion for Order Declaring Case Extended and Complex and for Approval of Interim Payments (doc #139) is granted. This case is declared complex and extended pursuant to 18 U.S.C. § 3006A(d)(3). Counsel for defendant McClain is authorized to submit requests for interim payment for legal services and expenses.
