

Your Honor Judge La wen.

10-10-12

My name is Maria Maron. I have been in front of you several times. This time I'm writing you because I'm concerned about my lawyer. I've talked to my lawyer on the day we had pre-trial. I let him know that I didn't want to go to trial. That I wanted to plea out. He told me oh fine but you have to plea out to a level 26 with a proffer. I told him that was not an option for me because I have nothing to say. At that moment I told I wanted to plea straight out to my charges. and he told me I couldn't. My understanding is I could choose to plea out to my charges at anytime by me plea out attempt to the charges as I know I'm going over my guidelines were I should be in the first place. I just need to understand way a ~~lot~~ court just plea straight out. I also feel my lawyer is not doing all he can to help me. Thank you.

Mrs. Maria Maron

I would like for you to set a court date for me to plea straight out to my charges on open plea.

Thank you
