WESTERN DISTRICT OF MISSOURI
WESTERN DIVISION

UNITED STATES OF AMERICA
(Fictitious Plaintiff)

VS.

CASE# 10-00320-16-ER-W-DGK
Judge Greg Kays

Frank M. Alvarez
(Real party in Interest)

"MOTION TO REMOVE COUNSEL"

Comes now Frank M. Alvarez, Real Party in Interest, immediately requesting from said court to remove Defendants counsel from representing him in Case # 10-00320-16-ER-W-DGK. This request is being made due to the time lapse of the counsel by not filing any motions on the behalf of said Defendant. Defendant is requesting an immediate removal due to the said counsels direction in this case which is not beneficial for my defense. Defendant will be seeking possibly a paid attorney by his families assistance and while this process is evolving, Defendant is also requesting the court to allow him to file his own motions as a *Sei Juris* attorney in fact. Defendant is also requesting extended time to file motions since my said attorney has allowed the time to elapse on when all pretrial motions should be filed. I pray that it please the court to grant my timely request as defendant is preparing for a possible trial or plea agreement.

Persuant to Title 28 § 1746 (1)
"without the United States" under the
penalty of Perjury "within the United
States of America"

Thanks in advance
without Prejudice,
Frank Alvarez
