ORDER

Before the court is defendant's motion for an additional 30 days to file pretrial motions.

In support of his motion, defendant states in part as follows:

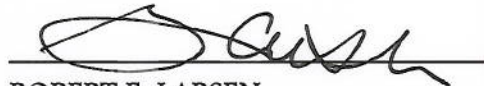

4. There are 19 defendants in this matter, with over 800 pages of discovery, thousands of telephone calls to review and several tapes of tapped calls to review. Additionally, many of these calls are in Spanish which require translation.

5. Rollie was the last person indicted in this matter and counsel was one of the last attorneys to be appointed. Additionally, Defendant is located 2 hours away making it difficult to communicate. Counsel needs additional time to review the evidence, discuss the matter with Rollie and prepare any motions that may be needed.

For good cause shown, it is

ORDERED that defendant's motion is granted. Defendant shall file all pretrial motions by June 1, 2011. It is further

ORDERED that the government file responses to all pretrial motions by June 15, 2011.
