Case # 10-00320-03-CR-W-DGK

My name is ~~Mario~~ ~~Morron~~ Morron
I'm being held in Cadwell County Detention Center. I'm currently in the hole for my own protection. I've asked my lawyer to get me moved from here so I can be able to in general public I feel my life is in danger that is why I'm in the hole. This place told the marshalls that I was fine that I didn't need to be moved. The Lt. Beary told me that he was not going to let me be transferred because his county will lose money his not at all concerned of my well being. Please your Honor can I please be moved from here I'm going crazy in the hole. I only get out one hour a day and it's nerve wrecking. I would like to go back in front of you to talk about a transfer. please. My lawyer is not doing enough ~~to~~ for me to get moved. I feel that he is not doing his ~~best to help me~~ Job to help me. Further. move

I would really like to come back to court and ~~to~~ find out what I can do. please your Honor I really need to talk to you. I've asked my lawyer about a plea I've told him on many occasions that I will plea to 10 years today, tomorrow as soon as possible but no answer. Thank you
