Case # 10-00320-19-CR-W-DGK

February 13<sup>th</sup> 2012

RE: Case # 10-00320-01/19-CR-W-DGK

Sir,

I am writing to you to make a formal complaint against my court appointed attorney Kurt Marquart. This attorney has acted unethical and unprofessionally against my wishes and best interests in mind.

He has been my attorney since the end of Sept, 2011. He has done nothing to further prove my innocence or prepare my defense. Basically your honor, Mr. Marquart has not kept me informed of any form of research or defense that he's working on or if he is working on.

He told me through a visit that (at the end of December) the Motion To Suppress the evidence hadn't been ruled on, from th-

P. 1

is point on he said he'd check at the courts for a ruling on the said Motion.

After this, I have not seen or spoken to Kurt Marquant until the end of January, early February where he only came to see me to request that I do a proffer. I told him that I wanted to do my own research on exactly what a proffer was, that was the last time I spoke to or seen him until today.

Today without warning or my acknowledgment, Mr. Marquant set up a proffer that had he taken the time to confer with me, he would've known I was not doing a proffer of any kind. From the beginning of February, I and my Uncle and Mother had been attempting to speak to Mr. Marquant to no avail.

At this time your Honor, I am requesting that you appoint different Counsel to me accordingly and because it's evident that Mr. Marquant is just trying to clean my case for the sake of the prosecutors docket. I am not convinced that my "life" is apart of Mr. Marquant best interest whatsoever.

I Humbly pray that your Honor will remove counsel and appoint new counsel.

Respectfully Forthcoming

Muhammad Ibrahim Rollie
