Aff. 09-00043REL-01

Motion for Ineffective Assistance

Comes now the Defendant Clinton Taylor D without counsel and not trained in the law hereby moves this court to grant motion for ineffective counsel. In may 2009 I requested to the courts that Public Defender Travis Ponderosa be removed from my case because upon request he has resisted to file these motions: Exculpatory Hearing, Jury Minutes, Offer of Proof, Discovery and Suppression of evidence. Travis Ponderosa stated several times these motions are not available until after trial in a attempt to deceive me. Knowing after trial motions will come in the form of appeal. On June 8 2009 Travis denied any knowledge of my appeal to his assistance and persists to represent my case this is government misconduct entrapment inferring this Persons lack of Public Services upon me. On 06-08-09 I asked Travis to challenge the hearsay testimonies which have different stories. Travis stated that was not possible over a three way call with Arnold Narvaez if federal law is contrary to that statement, [See e.g. United States v. Williams 41 F. 3d at 500-02 See United States v. Ferguson 246 F.3d 129 (2d cir 2001) United States v. Holloway 1 F.3d 307 (5th cir 1993) Cf. 3 Blackstone, commentaries at 373 it is considered a abuse of discretion not to allow a party to challenge the reliability of hearsay evidence] etc. Therefore Travis Ponderosa has traveled outside his realm of Public Defense by not being honest with his client, nor protecting his clients personal rights. Therefore I request the courts to grant motion for ineffective assistance against Travis. ~~but do not consider this as a bad character or bad behavior~~

~~but do not consider this as a bad character or bad behavior~~ Travis Ponderosas refusal to file pretrial motions will be considered a act of bad faith. Also this motion is not entered Pro Se but from one who is untrained and have no knowledge of the law and request the courts offer new counsel also Travis has presented a new complaint

from federal investigators which left out elements I have previously filed motions on such as witnesses alleging I ran behind houses and ~~then~~ my appearance changed. Ronald Rinesource stated I signed this federal complaint because my name is on a miranda waiver which is a separate issue from the investigator's finding. And the courts should offer me new counsel when there is proof of government misconduct by knowingly presenting false representation of material. Commonwealth v Green 326 Mass, 244, 94 N.E.2d 265 (1950) Travis is trying to send me to trial without exercising my rights of pretrial motions therefore they will be denied interlocutory review after trial. I asked travis for a motion of discovery on the witness statements and he gave me hand written statements of his likeness as a discovery. Therefore as the courts stated upon request they will provide pretrial request within ten days. therefore I request the courts to grant motion of discovery on all the witness statements and motion for evidentiary hearing. See U.S. v Barnett 314 F. Supp. 1449 (D Alaska 1992) W. Prosser + W. Keeton, torts § 105 (5th ed 1984)
