ORDER

Pending before the Court is Defendants Elder and Solomon’s Joint Unopposed Motion for an Enlargement of 10 Days Within Which to File Motions for New Trial with Suggestions in Support (Doc. No. 360). Defendants indicate that this trial involved more than 25 government witnesses and 1100 government exhibits. Defendants indicate that they need time to analyze the testimony of the government’s medical expert, consult with each other about trial issues and review their trial notes. Counsel for Defendant Elder further indicates that he has been involved in a Texas Medical Board hearing along with his client recently, and counsel just returned to his office on July 27, 2010. The government does not oppose defendants’ request.

Accordingly, for good cause shown, defendants’ motion for extension of time will be **GRANTED**. Defendants shall file their motion(s) for new trial on or before **MONDAY, AUGUST 16, 2010**.

IT IS SO ORDERED.
