

CURRICULUM VITAE

NAME David E. Travis, II

TITLE: Chief Criminalist Supervisor

ADDRESS: 6633 Troost Avenue
Kansas City, MO 64131

TELEPHONE: Work: (816) 349-3271 Fax: (816) 349-3240

EDUCATION:
1985 Emporia State University -Emporia, Kansas
BS Biology
Minor in Chemistry
Concentration in Microbial and Cellular Biology

EXPERIENCE:
1988-Present Kansas City Missouri Police Department
Kansas City Police Crime Laboratory-Chemistry Section
Forensic Specialist V

1985-1988 University of Kansas Medical Center - Kansas City, Kansas
Department of Microbiology
Research Associate

PROFESSIONAL AFFILIATIONS:
American Academy of Forensic Sciences Provisional Member
Midwestern Association of Forensic Scientists Member

CERTIFICATIONS:
American Board of Criminalistics
Fellow, Drug Analysis

CONTINUING EDUCATION:
May 1989 Crime Scene Investigation School
Kansas City, MO

May 1990 Laboratory Examinations in Arson Matters
Quantico, VA

November 1990 Forensic Drug Chemist Seminar
McLean, VA

October 1991 Clandestine Laboratory Workshop
Kansas City, MO

June 1992	Introduction to Capillary Gas Chromatography Kansas City, MO
May 1993	McCrone Forensic Microscopy Course Jefferson City, MO
April 1995	McCrone Advanced Trace Analysis Course Jefferson City, MO
March 1997	Arson Accelerant Detection Sacramento, CA
April 1997	Nicolet Spectroscopic Solutions 1997 Overland Park, KS
October 1997	Interpretation of Mass Spectra Des Moines, IA
October 1997	Midwestern Association of Forensic Scientists Des Moines, IA
April 1999	Forensic Drug Chemist Seminar Kansas City, MO
April 1999	Nicolet Spectroscopic Solutions 1999 Overland Park, KS
October 1999	Basic Drug Chemistry and Quality Assurance Cape Girardeau, MO
October 1999	General Capillary Electrophoresis Theory and Instrumentation Cape Girardeau, MO
October 1999	Midwestern Association of Forensic Scientists Cape Girardeau, MO
May 2000	Nicolet Spectroscopic Solutions 2000 Kansas City MO
February 2001	Principles of Forensic Toxicology Maryland Heights, MO

June 2001	Thermo Nicolet Spectroscopic Solutions 2001 Overland Park, KS
January 2002	Designer Drugs Kansas City, MO
April 2002	Thermo Nicolet Spectroscopic Solutions 2002 Kansas City, MO
April 2003	Thermo Electron Corporation Spectroscopic Solutions Seminar 2003 Overland Park, KS
September 2003	Predatory Drugs Seminar Kansas City, MO
October 2003	Khat Analysis and Court Testimony for Drug Chemists Workshop Columbus, OH
October 2003	Midwestern Association of Forensic Scientists Columbus, OH
April 2004	Chemical Agents of Opportunity for Terrorism: Preparedness and Response Kansas City, KS
March 2005	First Line Supervision Course Kansas City, MO
April 2005	Scanning Electron Microscopy/Energy Dispersive X-ray Analysis Workshop Ames, IA
May 2005	Spectroscopic Solutions 2005, Thermo Electron Corp. Overland Park, KS
July 2005	Predatory Drugs Seminar Kansas City, MO
October 2005	Clandestine Labs- Analysis and Techniques St. Louis, MO
October 2005	Headspace Gas Chromatography Workshop St. Louis, MO

October 2005	Expert Witness Testimony Workshop St. Louis, MO
October 2005	Midwestern Association of Forensic Scientists St. Louis, MO
May 2006	Spectroscopic Solutions 2006, Thermo Electron Corp. Kansas City, MO
March 2007	Mass Spectrometry Course, WVUFSI Orlando, FL
July 2007	Seven Habits for Highly Effective Law Enforcement Professionals Kansas City, MO
January 2008	Itemiser 3 (Ion Mobility Spectrometer) Operator, Administrator, and Maintenance Course Kansas City, MO
June 2008	The Tips and Tricks of Gas Chromatography for Optimum Performance Overland Park, KS
June 2008	Drug Facilitated Sexual Assault Investigations Kansas City, MO
September 2008	Designer Drugs, Analogs and Controlled Substance Analogs Workshop Des Moines, IA
October 2008	Midwestern Association of Forensic Scientists Des Moines, IA
October 2008	GC/MS General Maintenance and Troubleshooting Workshop Des Moines, IA
October 2008	Forensic Raman/FTIR Analyses Workshop Des Moines, IA
October 2009	Midwestern Association of Forensic Scientists Joint Meeting Orlando, FL
October 2009	ISO Without Tears and Measurement Uncertainty Orlando, FL

October 2009	Nuisance Plants for Forensic Chemists and Toxicologists Orlando, FL
October 2009	DEA Forensic Chemist Workshop: Drug Topics of Interest Orlando, FL
August 2010	“Choice” (World Class Leadership) Kansas City, MO
October 2010	Midwestern Association of Forensic Scientists Meeting Kansas City, MO
October 2010	Accreditation of Forensic Science Laboratories under ISO 17025:2005 Kansas City, MO
October 2010	Integrity, Character and Ethics in Forensic Sciences Kansas City, MO
October 2010	Power Point for Forensic Science Kansas City, MO
July 2011	ASCLD/LAB International Preparation Course Kansas City, KS (Overland Park, KS)
August 2011	DEA Drug Diversion Investigation Course Kansas City, MO

TESTIMONY:

State Courts-
Missouri
Kansas
Federal Courts-
United States of America
