Minor in Philosophy

EXPERIENCE:
1992-present Kansas City Missouri Police Department
Kansas City Police Crime Laboratory-Chemistry Section
Senior Criminalist

1993-1996 Children's Mercy Hospital - Kansas City, Missouri
Toxicology Dept.
Chemist I

PROFESSIONAL AFFILIATIONS:
American Chemical Society Member (17 years)
American Academy of Forensic Sciences Member
Society of Forensic Toxicologists Member

CERTIFICATIONS:
American Board of Criminalistic
Certificate

CONTINUING EDUCATION:
April 1992 Hewlett-Packard Mass Spectrometry Training
(1 day course) Kansas City, Missouri

September 1992 DEA Forensic Chemists Drug Seminar
(4 day seminar) McLean, Virginia

May 1993 McCrone Research Institute Forensic Microscopy Course
(5 day course) Jefferson City, Missouri

September 1994 Blood Borne Pathogens Seminar
(1 day seminar) Kansas City, Missouri

October 1994 DEA Clandestine Laboratory Training
(2 day seminar) Raytown, Missouri

January 1995 Court Room Testimony Workshop
(4 day course) Jefferson City, Missouri

April 1995 McCrone Research Institute Advanced Trace Analysis Microscopy
(5 day course) Jefferson City, Missouri

April 1995 (4 day course)	Advanced Infrared Spectroscopy Fairview, Illinois
October 1995 (1 week seminar)	M.A.F.S. / S.A.F.S. Fall Conference Paducah, Kentucky
April 1996 (2 day course)	Introduction To Excel 5.0 Kansas City, Missouri
August 1996 (1 day course)	Becton Dickinson Company Instructor Training For Field Test Kits Kansas City, Missouri
April 1997 (3 week course)	Crime Scene Investigation Techniques Seminar Kansas City, Missouri
July 1997 (2 week course)	FBI Academy Chromatography Course Quantico, Virginia
October 1997 (1 day seminar)	HPLC Optimization Seminar Kansas City, Missouri
February 1998 (1 day seminar)	Community Oriented Policing Training Kansas City, Missouri
October 1998 (1 day seminar)	HPLC Column Selection Seminar Lenexa, Kansas
April 1999 (1 day seminar)	Nicolet FTIR Spectroscopic Solutions Overland Park, Kansas
April 1999 (4 day seminar)	DEA Forensic Chemists Drug Seminar Kansas City, Missouri
April 2000 (1 week course)	FBI Academy Fire Debris Analysis Course Quantico, Virginia
May 2001 (4 day seminar)	Frenzy Conference Washington D. C.
January 2002 (1 day seminar)	Designer Drugs Seminar Kansas City, Missouri
February 2002 (1 day course)	Introduction to Powerpoint Kansas City, Missouri
June 2003 (4 day seminar)	KC-Together / Strategic Plan Kansas City, Missouri
September 2003 (1 day seminar)	Predatory Drugs Seminar Kansas City, Missouri
February 2004 (1 week seminar)	AAFS 56 th Annual Meeting Dallas, Texas

<p>May 2004 (1 week course)</p>	<p>The Robert F. Borkenstein Course On Alcohol Indiana University Bloomington, Indiana</p>
<p>August 2005 (1 week course)</p>	<p>Advanced Fire Debris Analysis Course Midwest Forensics Resource Center Iowa State University Ames, Iowa</p>
<p>March 2007 (1 week course)</p>	<p>West Virginia University Forensic Science Initiative Courses: Scientific and Technical Writing Basic Biological Evidence Collection Mass Spectrometry Orlando, Florida</p>
<p>September 2007 (1 week seminar)</p>	<p>Midwestern Association of Forensic Science 2007 Fall Conference Steroid Analysis Fundamentals of GC/IRD For Forensics Quantitative Analysis of Solid Dosage Controlled Substances Impairment Issues Involving Drugs and Driving Traverse City, Michigan</p>
<p>March 2008 (1 day course)</p>	<p>American Heart Association Training in First AID, CPR, and AED Kansas City, Missouri</p>
<p>June 2008 (1 day course)</p>	<p>Drug Assisted Sexual Battery Class Southeastern Public Safety Institute Multijurisdictional Counterdrug Task Force Training Kansas City, Missouri</p>
<p>August 2008 (3 day seminar)</p>	<p>Toxicology Symposium Midwest Forensics Resource Center Iowa State University Ames, Iowa</p>
<p>February 2010 (1 week seminar)</p>	<p>AAFS 62nd Annual Meeting Seattle, Washington</p>
<p>September 2011 (1 week workshops)</p>	<p>Society of Forensic Toxicologist 41st Annual Meeting Analytical Advances in Oral Fluid Drug Testing Applications of Oral Fluid Drug Testing SPE Practices & Principles in Forensic Toxicology Spice: Detection in Various Biological Matrices San Francisco, California</p>

Larry B. Washington

TESTIMONY:

State Courts-

Cass County, Missouri

Jackson County, Missouri

Johnson County, Missouri

Ray County, Missouri

Platte County, Missouri

Federal Courts-

Jackson County, Missouri

Wyandotte County, Kansas
