PROCEEDINGS:

Parties appear for hearing. Defendant to change plea of not guilty to Guilty. Defendant sworn.

X Offense to which defendant is **pleading guilty [lesser included offense of Count 1 of Indictment]** and statutory range of punishment summarized by defense counsel.

X Court advises defendant of perjury implications and questions defendant regarding age, education, physical and mental condition, and satisfaction w/representation of counsel. Defendant advised of rights waived by pleading guilty. (Defendant advises his middle initial is "E.")

X Terms of written plea agreement, signature on document, and factual basis contained in plea agreement acknowledged by defendant.

X Government counsel acknowledges the factual basis (evidence that would have been presented at trial) as outlined in plea agreement is complete/correct.

X Defense counsel offers additional/supplemental information regarding factual basis of plea and the written plea agreement.

Court notes the parties' amendment to the plea agreement at Page 12 by interlineation and also ***grants the government's oral motion to amend the Indictment by interlineation to reflect the correct middle initial of "E." for defendant.***

X Court provisionally accepts defendant's plea, orders a presentence investigation report, and finds defendant understands the charge(s) against him and the consequences of his plea and that the decision to plea guilty has been made freely and voluntarily and w/o coercion. Court finds there is a factual basis for the plea.

X Defendant remanded to the custody of the USM.
