(RE: Appointment of Counsel  
U.S. v. Naricco T. Scott, No. 10-162-CR-FJG.)

DEAR, ROBERT LARSEN

I write the honorable Court advising that there is a serious conflict of interest with the above referenced defendant and Assistant Federal Public Defender Laine Cardarella whom has been assigned as counsel in this cause. Through the advise of Mrs. Cardarella I now write the honorable court with my concerns and request regarding counsel and her actions as well as ineffectiveness. On numerous occasions verbally and through correspondence her attitude and demeanor has been negative and she refuses to fulfill her obligation as counsel and review and discuss pertinent documents and or information. I have been denied case law, assistance in review of discovery on the several occasions where I have been sent to the Marshalls services to review discovery, where on n/a

occasions has she nor her investigator assisted me, I've been left to sort through material on my own. I have requested case law pertaining to my situation and have not been supplied with any but yet when I attempt to research on my own I am being advised by counsel that I don't know how to interpret cases and to leave these matters to her legal expertise. But yet I'm being ask what's my defense strategy by Mrs. Cardarella because she has none. Therefore, what am I to rely on? This is a serious crime I am being accused of with serious consequences not to be represented properly because Mrs. Cardarella doesn't have the time or experience due to her case load and lack of wire tap experience and or profile of the present cause. Furthermore, potential witnesses have not been interviewed and personal opinion of me personally seems to weigh highly in this case with her not facts in evidence. Not until the last she visited me here at Caldwell County (after) has she attempted to file a motion or address issues I've brought to her attention which I believe now is an attempt to cover her prior actions to a limited degree. This matter needs to be addressed immediately! Any and all assistance in withdrawing Mrs. Cardarella will be appreciated and any other procedure deemed necessary as well.
