MOTION HEARING - TO CONSIDER DEFENDANT'S MEDICAL CONDITION

REMARKS: Parties present in person and with counsel for hearing on defendant's motion for medical considerations filed on 6/3/11 (doc. no. 367). The Court held discussions with defense counsel and defendant regarding his current symptoms and continuing medical issues. U.S. Deputy Marshal Steve Franovich appeared at the Court's request and offered testimony regarding the history of defendant's medical complaints while in custody and the actions taken on those complaints. Deputy Franovich further testified that blood and lab work have been taken from the defendant, but the results are still pending. A follow-up hearing will be set on this issue once the results of the blood/lab work come back and the Court is notified of such. Defendant remanded to U.S. Marshal's custody. Court adjourned.
