A motion to continue the trial until the February 13, 2012, trial docket was filed by defendant Taisha Russell on June 20, 2011. The motion included the positions of only a few codefendants. So far I have the following:

No objection to a February 2012 trial setting by:

Government

Calah Johnson (Kurt Marquart)

Theodore Wiggins ([Michael Walker)

Terrance Blewett (David Guastello)

movant Taisha Russell (Willie Epps)

Objection by defendant:

Mylin Smith (Alex McCauley)

Because this motion has been pending for nine days, we are assuming that if anyone else had an objection it would have been relayed to the court by now (although there have been a few references to no objection to a "short continuance," Judge Larsen is not considering those as he does not believe a 6 1/2 month continuance qualifies as a "short continuance.") In the event there is a scheduling conflict with the February 13, 2012, trial docket, please notify me either by email or at 816-512-5760 by the close of business today including the reasons for the scheduling conflict. Judge Larsen plans to forward his recommendation to Judge Gaitan first thing in the morning.

Counsel are reminded that everything filed in this case must be mailed to pro se defendant Naricco Scott, CCA, 100 Highway Terrace, Leavenworth, KS 66048. Please include verification in your certificate of service and in the docket entry. This pertains to all documents regardless of whether they pertain specifically to Mr. Scott.
