Motion for time extension to file
pre-trial motions.

Comes now the defendant, NaRicco T. Scott, pro se, asks this court to grant the defendant's motion for time extension to file pre-trial motions. Defendant has recently been granted to proceed pro se, and the defendant recieved an order from the court stating pre-trial motion time ran out. Defendant recieved no prior notice of any deadline so the defendant needs more time to file pre-trial motions. With respect to the courts the defendant asks the court to grant this motion for an 120 day time extension starting on the date the court grants or responds to the motion.

Respectfully submitted,

NaRicco T. Scott, pro se
