

Case # 10-00162-21-CR-W-FJG

April 10, 2012.

So when it may concern, I'm writing in regard to my sentence date, I received mail in Dec-2011 stating the earliest sentence date was Dec 14, 2012.

It is now April 10, 2012 - 4 months ago, I had signed my plea back last year May 23, 2011 - so I'm so confused and I'm stressing my self out wondering ~~what~~ what is going on why is it taking all most a year to get sentence. So could you please let me know what's going on.

Signed. Dorothy Co
