

COURT EVENT ONLY

There is no docket entry for Document #142. A call to the clerk of court confirmed that this is a "Court Event Only" entry consisting of a letter to the court which is not filed on ECF. Given the notice of attorney hearing (See doc143.pdf) it would appear this was a letter from Gerald Williams or his attorney on something to do with their attorney/client representation. This is merely speculation and not confirmed by any official source.
