**ORDER**

Pending before this Court is defendant's motion for review of detention order (Doc. #85), filed November 5, 2009. The Court has reviewed the government's response in opposition (Doc. #100), the transcript of the detention hearing (Doc. #88), and the order of detention (Doc. #40) by United States Magistrate Judge Robert E. Larsen. The Court has reviewed all the pleadings including the briefing and order regarding defendant's motion to reconsider detention order, as well as the transcript of the hearing before Magistrate Judge Larsen and concurs with his findings. Therefore this Court denies defendant's motion for review of detention order (Doc. #85).
