SENTENCING MEMORANDUM

COMES NOW defendant, Mary Lynn Rostie, by counsel, and hereby respectfully submits the attached doctor's letter to supplement the sentencing report. A significant period of time has lapsed since the interview and Mrs. Rostie's health has deteriorated. She now takes Tylenol #3 for breakthrough pain. She wears a narcotic patch which allows a steady amount of pain medication to manage her pain.

The doctor monitors her blood work due to the development of DVT syndrome and the concern regarding a possible clot traveling to her brain or lungs.

She also has lost the home which is listed as an asset to foreclosure proceedings.

WHEREFORE defendant prays this Court use its discretion and allow her to be sentenced to probation or other such Orders as this Court deem just and appropriate.

Respectfully submitted,
